

## READING STRATEGIES

### PREDICT

"I predict that \_\_\_\_ will happen because the text says \_\_\_\_\_. I'll keep reading to see if I'm right."

### CLARIFY

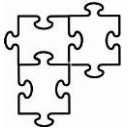

"I'm confused so I will stop and clarify. What does \_\_\_\_\_ mean? I think I'll reread this part to see if that helps."

### VISUALIZE

"I'm visualizing a part of the text. The picture I see in my head is \_\_\_\_\_. This is helping me to ..."

### MAKE CONNECTIONS

"I'm making a connection between \_\_\_\_ (text) and \_\_\_\_ (an idea, another text, my life). I wonder ..."  
"This reminds me of \_\_\_\_\_."

### QUESTIONS

"I'm curious. Why did the boy...?"  
"Who? What? Where? When? Why?"

### ANALYZE/EVALUATE

"I notice an important detail in the text: \_\_\_\_\_. This makes me think that the author's purpose is \_\_\_\_\_."

### SUMMARIZE

"I'm going to stop and summarize what has happened so far in the text. First, \_\_\_\_\_, then \_\_\_\_\_, after that, \_\_\_\_\_ and finally, \_\_\_\_\_."
